Diptheria, Typhoid and Intermittent Fevers and Other Epidemics, Carrying Off Hundreds.

Farmers and Dairymen Heavy Losers-The Unusual Rains Said to be Indirectly Responsible for the Trouble.

The peculiar epidemic that has visited the people living in and around the village of Newmanstown, Pa., and in general broughout the northern part of Berks county, has abated, and most of the sufferers are recovering, although some of them are severely ill. As many as forty-five persons at one time were in a critical conion, being attacked with unexplainable vomiting, dysentery and kindred dis orders. Careful investigation by physicians has acertained the cause to be attri buted to the unusual and continuous rains, which, with but short intermission, have fallen throughout the summer. All the

will nenceforth be sought out and remedied by the city authorities there. Three children out of four in a family living near the Church of the Immaculate Heart have died of diphtheria within the past week.

In Carbondale and elsewhere in neighboring counties many cases of diphtheria and fever have been reported. In the town of Carbondale fifteen cases of malignant diphtheria were reported in one day from different parts of the place. In nearly every case the disease was pronounced to be of a virulent type, and half a dozen cases have already proven fatal. Everything that can be done to check the spread of the disease is being done by the doctors, but it is reported that the town authorities will not take any steps to inforce sanitary regulations, and hence it is feared that the physicians' efforts alone will be ineffectual. Funerals of persons who have died of the dread disease are openly conducted to the churches, and no sateguards are maintained to prevent contagion. In one house on

the disease was pronounced to each lave also be done to check the spread of the disease is being done by the dedoctors, but it is retained to the disease is being done by the dedoctors, but it is retained to the disease and properly of the dead disease are openly conducted to the churches, and no safeguards as maintained to prevent contagion. invariably in death. The cattle are taken with sudden cramps and suffer untold agony until death relieves them of the tor-

Throughout Westmorland county the Throughout Westmorland county the catt e are dying to an equally alarming extent. The disease by which they are afflicted is known to veterinary surgeons as splenic or Texas fever. It is supposed to have been transmitted to the home cattle by the importation of a car load of western cattle into the country by a farmer at New Stanton, eight miles below Greensburg. The farmers are distressed over the raymond the disease as the settle that are ages of the disease, as the cattle that are stricken with it inevitably die.

"Some years ago Ayer's Cherry Pectoral cured me of asthma after the best medical skill had failed to give me relief. A few weeks since, being again troubled with the disease, I was promptly relieved by the same."-F. S. Hassler. editor Argus, Table Rock, Neb.

when all other ointments have failed. It absorbs the tumors, allays the itching at once, acts as a poultice, gives instant relief. Dr. Kirk's German Pile Ointment is Strange Maladies, Afflicting Man and
Beast, Prevailing to a Great Extent in Pennsylvania.

Br. Air's German Pile Ointment is prepared only for piles and itching of the private parts, and nothing else. Every lox is warranted. Sold by druggists or sent by mail on receipt of price, 50 cents and \$1 per box. Sold by R. S. Hale & Co., Helena.

HELENA, Oct. 7, 1887.

I was suffering from an unusually bad cough, my longs were sore and congested, and I consulted one of the best physicians in Helena, whose prescriptions failed to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Acker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully recommend it.

JACOB SWITZER.

I had a racking cough and inflamed throat and bought a bottle of Acker's English Remedy upon the recommendation of a HOME TESTIMONY

lish Remedy upon the recommendation of a friend, and was entirely cared by it. I consider it a never failing remedy for a cough.

Acker's anglish preparations are for sale in Helena only by R. S. Hale & Co. For a healthful and invigorating stimulant order Anthony & Kuhn's XXX St. Louis bottled lager beer of August Fack, 46 S. Main street; telephone 298.

THE APHRO MEDICINE CO. WESTERN BRANCH, PORTLAND, OR

Dyspepsia

Is one of the most prevalent of diseases. Few persons have perfect digestion. One of Ayer's Pills, taken after dinner, or a dose at night before retiring, never fails to give relief in the worst cases, and wonderfully assists the process of nutrition. As a family medicine, Ayer's Pills are unequaled.

James Quinn, 90 Middle st., Hartford. Conn., testifies: "I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."

Incips Alexander of Markhebead Lucius Alexander, of Marblehead, Mass., was long a severe sufferer from Dyspepsia, complicated with enlargement of the Liver, most of the time being unable to retain any food in his stomach. Three boxes of Ayer's Pills cured him.

Frederic C. Greener, of East Dedham, Mass., for several months troubled with Indigestion, was cured before he used half a box of these Pills.

Ayer's Pills,

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists and Dealers in Medicine.

By virtue of an order of sale in my hands issue out of the district court of the first judicial dis-trict of Montana Territory, in and for the count of Lewis and Clarke, in the cult of N. S. Veeta the stricken belt had become saturated the stricken belt had become saturated with rain and by some means the impute way into your or the ground found its many the property of the strick of the stricken belt in the discussion of the community was obtained, thus poisoning the water supply.

Similar but even more serious epidemic diseases, arising from presumably like causes, have broken out in other places in the eastern part of the state. At Chester the citizens residing on the lower dists have been afflicted with diplaters and fever within a week and a single physician now have died of duplitherin and fever within a week and a single physician now have died of duplitherin and fever within a week and a single physician now have died of duplitherin and fever within a week.
